★ The New Ranma Project ★

Weill Here we have the first appearance of one of my favorite translators of the whole project, TomCat! TomCat is far and away the oldest translator in the whole project, being something around 40. But you'd never guess it to talk to him. Trust me, every one of you out there wish you had TomCat as your dad. He's just too much fun. A great sense of humor that is evident in his chapters, and every time you talk to him. To top that off, he's so damn GOOD at this. All his chapters are complete, with totally done Sfx, sharp and gorgeous, with clever dialogue to boot. What's really amusing about that is that no one was more surprised than TomCat himself. He'd never really done anything quite like this, and didn't know he had such amazing talent for it.

And hey ladies! He's single! ^_-

After that we have Jason Bridgmon continuing his Akari fetish. We see a lot of Jason. Along with DarkAsh, he's one of the great pickup artists of our project. Snatching up all sorts of chapters that others had failed to deliver on or passed over, and making something wonderful out of them.

Something you all may find interesting, is to know that the overwhelming majority of our translators are college guys, or at least close to that age. Jason, Rajesh, DarkAsh, AnimeBill, bunches of them. I hate to think what I did to all their grades getting them hooked on our project. ^^;

Hm?
I thought this house looked familiar...
It's my house!
I'll go in for a bit...
...change clothes or somthing.
I'm home!

Ack!
Burglars might come in, so I set some traps. Be careful!
- Your Mother
Hm?
Isn't that dog...

It says that this is a present for me, cod caviar, even!
I guess he went through Hakata recently.
Akane
I'm at home right now
I'm a little hurt, so I can't really move around much.
As usual, my parents aren't home either.
Oh!
I'm extremely lonely. But no need to worry about me. You don't have to visit me.
- Lonely Ryouga
She's coming
She's not coming
She's coming
Not Coming

Heh I guess she's not coming after all
I guess that letter wasn't believable

Who... Who are you?
Heh heh. Young master...
Young master?
I keep your house clean and tidy while you're away. I'm the maid!
I never knew my parents hired a maid...
Heh. He can't see through my clever disguise!
By the way young master...
You're fooling around with two women
How...? How did you know?
Don't worry. I'm on your side young master.

Seriously?! You mean it?!
Oh ho ho ho! I will not interfere with my young master's ambition.
Anyway, young master, from one beauty to the other!
Ryouga dear.

Akari-chan! What's the meaning of this...?
Your maid told me I could stay the night here, so...
I know I'm troubling you, but... Thank you very much.

Oh! Ryouga
I'm so happy!
Young master you must go see Akane immediately
But but
I can't just abandon her in this situation
That's too bad

I told her to you would be down in a minute to wash her back...
while she takes a bath...
Gasp!
I can't believe this...
Hearing such a wonderful thing!
What are you doing?
Heh... This is gonna be good!
I'll just substitute myself with another body...
Akane, just wait!
I'm coming!

What is he doing?
Telling me to wait here...
Clean... clean... clean...
Oh no!
You're covered in floor wax!
P-Chan!
Why are you at Ryouga's house?
Hold still...
I'll wash you off with some hot water.

Ah! P-Chan! Where are you going?
Was it fun young master?
It was like a wonderful dream
But I—
have another dream!
I'm coming Akari-chan!
Get moving, you two-timing expert!
Akari! Let's continue from earlier on!

Welcome back, Ryouga!
Awoo!
I had some free time, so I made something to eat.
Here, try some!
If I had only decided sooner!
I'm being punished...
Because I tried to keep them both without knowing my own limits!
Um... you don't want to eat it, the food I made?
Of... Of course I do!

Is it good?
Uh huh!
Awo!
I'm happy like this, there's no need to be greedy.
Akane wants to give you a kiss!
Ryouga ???
I'll be right back
Are you sure she said that?
Yup!

AAAAAAAH!
And just what part of Katsunishiki...
Looks anything like Akane?
Oh no! Akane, are you alright?
What part of her looks like me?!

Heh
What a fool I was
But still I must choose one of them
I've got to decide now!
Okay!
AKARI
AKANE
Akari-Chan!
Eh?
She's not here?
No way!
I didn't get to do anything yet!
But right now, Akari is...

How about you, Akari?
Aren't you happy they met, young master?

A new one already?!
No! At this rate I'll never win!
If .. if I could just make myself stay afloat ..
You don't know how to float, Akane? But that part is so easy!
Yeah, just hold a lot of air in!
Hm?
Aw, came on, Akane You mean
Ranma! Aren't you supposed to breath in a lot of water to swim?!
Omigawd Please don't tell me that's what you've been doing

Air?! Can it really be as simple as that?!
That means I can do it! I can really win this race!
Oh, what great students I have!

I admire your enthusiasm.

This one's on me.
Share it evenly!

In that huge pile of noodles, the probability of finding it is really high!
Maybe now someone will find it!
The key to victory is to eat a lot in a very short period of time!
I attack!
Eh?
You aren't trying to eat more than your share, are you?
Well I'll be....
There are some gears turning in that head of yours!

Hm?
You'll have to beat me too!
At last! This whole thing is mine!
What's wrong with my future son in law? Half of it is still here!
He ate that much?
Where am I?
This is the famous Styx river.
I'm back here again...

We're fighting a useless battle, but still...
I've got ta find that noodle and eat it!
Hey! Are you trying to stop us?
Here's another!
Hey, Shampoo.
Yes, Ranma?
Is there really a legendary noodle of pride?
I think you will find out soon enough.
I better keep cooking as fast as I can!
Those idiots!

This noodle gives the eater the strength of 100 men!
Do you really think I'm going to serve it to you?
I will eat it!
How did they find out?
You dummy. Talk too loud.
I got it!

In a three-way fight... First get rid of the main rival!
Now that Ranma's out of it...
Fool. You really think you can beat me?
You... Bastards!

The noodles are...
...coiling around them!

BARGAIN NOODLE DROP ATTACK!
Ryoga, Kuno, rest well. I'll get strong enough for the three of us.
Just as I had thought. It tasted bad.
You must be happy, future son-in-law.
Old ghoul...
All you wanted to do was get rid of those awful tasting noodles.
That's just bad for business.
Now what Ranma?
You found out.

And now far the first test of the noodle of pride's power...
I'll try it out on you!
The old ghaul wan?
Isn't Ranma super strong?
Hm?
